

Give me a Name!

CHARITY MASCOT COMPETITION

We're Friends of the Neuro Ward, a small local Aberdeen based Charity and we need your help!

Overleaf is our "Bear" mascot and all we need you to do is think of a name for him and also use your best colouring skills to really bring him to life!

The cost is £1 per entry and all money raised will go directly to the patients who need it most. Due to COVID-19 we've had to extend the competition and a closing date will be announced nearer the end of the year on our facebook page & website

The winner will be presented with £100 book tokens for their school and a personal prize of trampoline park or soft play centre vouchers by the mascot and our team.
